January is gone, and February is here. Only one more month with this cold weather and then Spring will be here! I don't know about you, but I really don't like the cold weather.

The month would not be complete without our annual Valentine's Day party. Will treats, music entertainment and more. I know the residents can't wait for the special treats.

We have some exciting things planned. As always, family are more than welcome to join in on the fun!
